What's Available

- Census records
- Passenger and immigration lists and indexes
- Vital records
- Military records
- Social Security Death Index
- U.S. Public Records Index

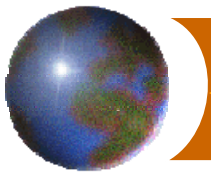

What's Not Available

- Not everything is online
 - ▣ Many abstracts and indexes in Ancestry refer to other, print sources
 - Check elsewhere for these sources
- Complete indexing
 - ▣ Errors possible
- PERSI is available in HeritageQuest
 - ▣ Periodical Source Index

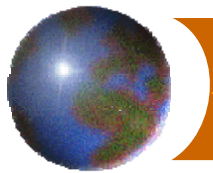

Information Sources

- Pay attention to the source
 - ▣ Is it authoritative? Can you trust it as proof?
- Primary source:
 - ▣ Created at time of the event by those involved.
- Secondary source:
 - ▣ Any sources in print that do not come from a contemporary or government record.
- Note where you find information in case you need to return to that source.

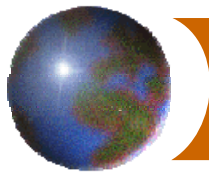

Getting Started

- Name of head of household?
 - Some indexes list only the head
- Who else in the family are you aware of?
- What time and area did they live in?
 - Where did life events occur?
- Helpful to start with the most recent information and work backward

Don't Know Where to Start?

- If you don't know the place or year of an event, try using census records, obituaries or other sources to narrow down this information.
- Read database descriptions
 - ▣ Coverage information
 - Counties or places
 - Time period
 - ▣ Source information
